# Details and Prices

effective from 1<sup>st</sup> January 2023

## 1 Title portrait:

The InnoTrans Report is the B2B-magazine of the leading trade fair for transport technology InnoTrans in Berlin. This freesheet is published several times a year and informs readers about the latest developments in the railway technology industry.

## 2 InnoTrans Report as an App:

You can also download the InnoTrans Report conveniently and easily as an app. More information at [www.innotrans.com](http://www.innotrans.com) choose menu item "Press".

## 3 Circulation:

The InnoTrans Report is directed to InnoTrans trade fair visitors and exhibitors and reaches over 150,000 people of the industry. **The title's multilingual appearance enables you to place your advertisement in German, English or French**, to directly target your potential customers in their mother tongue. This service is unique! Or you can choose to publish the advertisement in English throughout.

## 4 Sizes / Surcharges:

The InnoTrans Report is sent out digitally by Messe Berlin. You can choose from the available advertising formats displayed on the right. Additional handling charges for advertisements in different languages: EUR 990,- Translation (in German & French) will be charged at net cost price.

## 5 Printing Material / Data Transfer:

Files in \*.pdf/ \*.eps/ \*.tiff-format, resolution has to be at least 300 dpi/ line drawing with at least 1.000 dpi.

**Data transfer:** E-Mail: [cornelia.baer@dvvmedia.com](mailto:cornelia.baer@dvvmedia.com)
