

# ***InnoTrans 2024***

**24 – 27 SEPTEMBER · BERLIN**

*International Trade Fair for Transport Technology*

## ***THE FUTURE OF MOBILITY***

**Trade Visitor Flyer**

English

 **Messe Berlin**

# All aboard for the future!

Welcome to the 14th edition of InnoTrans, the mobility industry's biggest international event! Exciting innovations, world firsts and exhibitors from 59 countries await you on 200,000 m<sup>2</sup> (gross) of display space. Experience the world's only open-air showcase and track area with live demonstrations on the rails and roads. Now is the time to discover the future of mobility!

## Exhibitor numbers 2022

Germany 1,054  
International 1,717  
Total 2,771  
from 56 Countries

# The whole world of modern mobility

With 42 halls and numerous outdoor areas, the Berlin exhibition grounds offer plenty space to present all aspects mobility. InnoTrans showcases the mobility solutions of tomorrow in five segments.

## Railway Technology

- Railbound vehicles for public and freight transport
- Subassemblies and components: driving gears, energy/electrical engineering, couplings, brakes, etc.
- Service for vehicles
- And much more

## Railway Infrastructure

- Construction work
- Signaling and control systems
- Planning and monitoring of construction works
- Overhead line equipment
- And much more

## Interiors

- Vehicle equipment and finishings
- Lighting and glazing
- Air conditioning systems
- Security
- **Travel Catering & Comfort Services**
- And much more

## Tunnel Construction

- Tunnel boring machines
- Construction products, machines and components
- Safety features and finishing
- Communication and maintenance
- Services and consulting
- And much more

## Public Transport

- Communication and information technologies
- Traffic management and data processing
- Passenger fare management and information systems
- Fixed structures
- Services and consulting
- **Mobility+**
- Buses, charging infrastructure systems
- **AI Mobility Lab**
- And much more

## Pioneering innovations

With more than 3,500 meters of rail track, the InnoTrans Outdoor Display features state-of-the-art rail vehicles in the world's largest exhibition area of its kind. The Bus Display showcases innovations in the field of electric and hydrogen drive systems. The outdoor area also hosts charging infrastructures and the Demonstration Course for buses.

### Outdoor / Bus Display in numbers 2022

**128**

Railbound vehicles

10 E-buses, 3 hydrogen buses  
and 1 trolleybus

Bus Display

incl. **500** m

Demonstration Course

## Internationally networked

New contacts, thought-provoking discussions, and future partnerships, as a leading international trade fair, InnoTrans offers ideal opportunities. The large numbers of exhibitors and visitors clearly demonstrate that mobility is at the center of attention worldwide.

### Trade visitors numbers

**2016**

137,391

**2018**

153,421

**2022**

132,319

### DIALOGUE WITH EXPERTS

- Public and private transport companies and operators
- Science, research and development
- Transport technology manufacturers and suppliers
- Trade associations and institutions
- Construction companies
- Engineers, geologists, miners
- Administrations, public authorities, government ministries
- Consultants
- Shipping industry
- Media
- And more

# Innovation on stage

There's plenty to talk about: InnoTrans offers a supporting program featuring high-level discussions and specialist forums. Drop by and experience industry experts and international decision-makers live on our stages.

---

## **DIALOG FORUM > DVF, UNIFE, VDB, VDV, ZVEI**

At the center of the InnoTrans Convention: topics that move the mobility industry

---

## Services

# All-inclusive – our services

### Business Lounge in the Marshall-Haus

Relax, have conversations, use free Wi-Fi, recharge your smartphone or just enjoy your break.

### InnoTrans Campus

Central point of contact in hall 7.2C for young talents and guided Career Tours in the exhibition halls.

The kickstart of your career is on the agenda again this year! Eurailpress Career Boost – 25 Sept. at 2:00 p.m.

### Airport and on-site shuttle

Convenient and free of charge: shuttle service between the new BER airport and the Berlin exhibition grounds – plus on-site shuttle service between the halls

### World Innovation Tours

Take a go-minute tour to the most important innovations at InnoTrans. Available several times a day in English and German. Registration: Business Lounge in the Marshall-Haus.

### Online-Tickets

Your direct route to InnoTrans with free use of Berlin public transport:  
[www.innotrans.de/ticketshop](http://www.innotrans.de/ticketshop)

**PLEASE NOTE!** Tickets will only be sold online. There will be no cash desks on site.

### Speakers' Corner

The Speakers' Corner offers exhibitors an exclusive opportunity to present their products and innovations in five areas on the Beta level in hub27.

### InnoTrans Plus

Stay connected! This digital industry platform offers a wide variety of tools for planning your InnoTrans visit. In addition to direct appointment requests and the job wall, you will find webinars, product presentations, networking and round tables before, during and after the trade fair.

**You can livestream the entire supporting programme including the official Opening Ceremony. After the show they are also available on demand.**

[www.plus.innotrans.de](http://www.plus.innotrans.de)

### InnoTrans App

Stay up to date with all the latest information about InnoTrans 2024.

## Berlin is worth the trip!

After InnoTrans, you can immerse yourself in the world of Berlin. Savor the city's international culinary delights, discover amazing art and culture, and explore the lively bar and club scene.

# Highlights and premieres

## AI Mobility Lab

Innovative and safe: AI meets mobility. The focus at the center of the InnoTrans Public Transport segment is on artificial intelligence (AI). Reflecting the growing trend of transport system automation, exhibitors in this new section in Hall 7.1A will be presenting AI-based solutions and other technologies. Guided AI tours in the exhibition halls will also be available.

## Hospitality Forum

25.09.2024, 2:00 - 4:00 p.m., CityCube Berlin, Level 3, M6

Organisator: International Rail Catering Group

Innovation and the future of railway catering: industry experts report on the latest trends, innovations and developments aimed at increasing customer satisfaction and generating repeat business.

## Railfluencer Festival

### For invited guests only

If you are an opinion leader or influencer in the mobility industry, the Railfluencer Festival could be just what you're looking for. This is where selected exhibitors meet social media experts and potential contacts to engage in dialogue in a relaxed atmosphere. The event will also be streamed on InnoTrans Plus.
