# InnoTrans Careers

Use InnoTrans as a launch pad for your career!

What does ETCS stand for? Where will you see a catenary wire?

How does tunnel ventilation work?

On 24 – 27 September 2024, the world's leading trade fair for transport technology is where you will find over 200,000 sqm of exhibition space in 42 halls and more than 140 vehicles in the Outdoor and Bus Display areas on the Berlin Exhibition Grounds.

# InnoTrans Campus

First stop for career starters is the InnoTrans Campus in hall 7.2c. This is where the RecruitingLAB networking zone, the Talent Stage for applicant and company presentations, and the Jobwall with the latest job offers from InnoTrans exhibitors are united at a central point on the exhibition site.

In brief ...

## ...RecruitingLAB

Networking area where companies from different sectors present their HR departments – the perfect place to meet new employers.

## ...TALENT STAGE

Presentation area offering applicants and companies an opportunity to learn more about each other in a series of brief events.

## ...CAREER POINT

Career Point signs identify all exhibition stands that provide information about entry-level opportunities and job vacancies directly on site. The signs are shown in the InnoTrans app and on InnoTrans Plus, enabling participants to prepare in advance for their on-site visit.

## ...CAREER TOURS

Taking place three times a day, free guided tours of the Career Point exhibitors offer trainees, students, graduates, and young professionals a world of new opportunities.

**Starting point:** InnoTrans Campus in hall 7.2c

**Start times:** daily at 10:00 a.m., 12:30 and 3:00 p.m.

**Registration:** [innotrans.de/en/campus](https://innotrans.de/en/campus)

## ...JOBWALL

The Jobwall shows at a glance the latest international employment opportunities from InnoTrans exhibitors. Find suitable job offers, make direct contact with exhibitors and launch a new professional career!

**On site:** InnoTrans Campus in hall 7.2c

**Online:** [plus.innotrans.de](https://plus.innotrans.de)

## Eurailpress Career Boost: Career pitch focuses on job applicants

Eurailpress Career Boost turns the game around: instead of companies presenting job offers, applicants present their profiles to the companies. Showcase your skills to potential employers in a go-second timeslot at InnoTrans and secure your dream job in any of the following job categories:

- ▶ **Operational professions**  
(e.g. commercial driver, locomotive operator, shunting supervisor)
- ▶ **Engineers**  
(e.g. civil engineer, electrical engineer, railroad operations and infrastructure engineer)
- ▶ **IT**  
(e.g. software architects, software developers, geoinformatics specialists)
- ▶ **Commercial occupations**  
(e.g. controllers, dispatchers/operations planners, strategic buyers)
- ▶ **Technical professions**  
(e.g. plant mechanic, site manager for railroad construction, draftsman)

When: Wednesday, 25 September at 2:00 p.m.

Where: Talent Stage in hall 7.2c

**REGISTER NOW:**  
[eurailpress.de/careerboost](https://eurailpress.de/careerboost)

## InnoTrans tickets

- Reduced tickets: EUR 14.00/day or EUR 30.00/permanent pass (for trainees, students and graduates with a professional connection to the mobility sector: valid proof required)
- Includes use of public transportation in the greater Berlin area (ABC) on the day of your visit
- Get your ticket here: [innotrans.de/ticketshop](https://innotrans.de/ticketshop)

## The TOP 6 for your InnoTrans visit

1. Over 200,000 sqm of exhibition space and more than 140 vehicles in the Outdoor and Bus Display areas
2. HR contacts directly on site
3. Live insights into corporate cultures and product presentations
4. **Eurailpress Career Boost on 25 September at 2:00 p.m., Talent Stage in hall 7.2c**
5. Additional information and overview of all events available on InnoTrans Plus: [plus.innotrans.de](https://plus.innotrans.de)
6. Reduced admission and free career tours

Meet global players from the rail industry, small and medium-sized enterprises, trade associations, universities and colleges at the world's leading trade fair for transport technology.
